

# Summer Activities

Midaye is pleased to announce summer activities for all the families affected by the Grenfell Tower Fire.

## Residential Trips

We are offering families the opportunity to go on a residential trip and spend nights away from London

## Mobile Complimentary Therapy

We will be holding family focused complimentary therapy in various family activity centres across the RBKC borough

## Day Trips

We are going on a fun and exciting family day trips to various locations within London and outside London

Midaye Summer Activities is welcoming families affected by the Grenfell Tower fire to come and register for any of the above activities. For the residential trips due to the activities involved we are registering children over the age of six. For the day trips we are welcoming children of all ages. Please note for all Midaye Summer Activities priority will be given to families from the Grenfell Tower and Grenfell Walk.

We have limited spaces and registration is on first come basis, to register please contact:
